FOR IMMEDIATE RELEASE

**AHMED HUSSEIN DISCLOSES HIS NOMINATION OF
SIX DIRECTOR CANDIDATES FOR THE QUALITY SYSTEMS BOARD
Proposes Slate of Highly Qualified and Experienced Nominees
Dedicated to Improving Operating Performance
and Enhancing Corporate Governance**

NEW YORK, NY July 1, 2008 – Ahmed Hussein today announced that he intends to solicit proxies relating to the 2008 annual meeting of stockholders of Quality Systems, Inc. (NasdaqGS: QSII) to elect six highly qualified and experienced individuals, including himself, to the Quality Systems Board of Directors. Dr. Hussein detailed his intention in a written notice that is being delivered to Quality Systems today and which will be made publicly available when it is filed with the Securities and Exchange Commission. Dr. Hussein beneficially owns 4,654,100 shares of Quality Systems common stock representing approximately 17% of Quality Systems' issued and outstanding shares, based upon the amount of shares indicated as being outstanding as of June 1, 2008 in Quality Systems' Annual Report on Form 10-K for its fiscal year ended March 31, 2008. Dr. Hussein is currently one of the independent members of the Quality Systems Board of Directors and has served on the Quality Systems Board since 1999. He has been a stockholder of Quality Systems since 1982. Dr. Hussein believes that his nominees will strengthen Quality Systems' Board by adding independent directors with a stockholder orientation, a broad range of relevant experiences, and a firm commitment to improving the operating performance and corporate governance of Quality Systems.

“For over a quarter of a century, I have been involved with Quality Systems and committed to its success. As a major long-term stockholder, my interests are aligned with virtually all stockholders. I believe that a more independent Board of Directors will both enhance investor confidence in Quality Systems and the ability of the Board to conduct its business free from any undue or inappropriate influences or the appearance that such influences are being exerted. However, it has become apparent to me that these urgently needed corporate governance reforms can only be successfully adopted and implemented after significant changes are made to the current membership and leadership of Quality Systems' Board of Directors, particularly given that its leadership is wedded to, and has a vested stake in, the

preservation of the status quo,” said Ahmed Hussein. “In recent months, I have attempted on a number of occasions to engage the Board’s Chairman in a constructive dialogue concerning what I believe to be the urgent need to have the Company upgrade its corporate governance practices so that they are more in line with those advocated by leading corporate governance groups like RiskMetrics ISS Governance Services. Not surprisingly, my efforts have been blocked and frustrated at every turn, making this proxy contest not only inevitable but necessary if the interests of stockholders to be protected.

As directors of a reconstituted Board, my nominees will take immediate action to upgrade the Company’s corporate governance practices and implement a new strategy for growing worldwide revenues and increasing returns for investors. My nominees are successful and experienced professionals who will provide fresh thinking, fresh perspectives and fresh ideas. My fellow Quality Systems stockholders should be entitled to the opportunity to vote for an alternative slate of director nominees.

I believe that just the presence of an alternative slate of director nominees will benefit all stockholders and will increase the likelihood that meaningful actions will be taken by the Company to benefit Quality Systems and its stockholders.”

Ahmed Hussein’s six director nominees, including himself, form a highly qualified, experienced and dedicated team that is committed to positioning Quality Systems for long-term growth and profitability, delivering value for stockholders and improving corporate governance. If elected, they will be actively engaged in guiding Quality Systems’ senior management, and holding them accountable for adhering to the highest standard of corporate governance and for delivering consistent revenue growth and profitability.

In addition to the election of his nominees, Ahmed Hussein is also notifying Quality Systems that he will also be soliciting proxies in support of a stockholder proposal to replace the definition of independent director contained in the Quality Systems Bylaws with the definition of independent outside director advocated by RiskMetrics ISS Governance Services and a stockholder proposal intended to prevent the current Board members from seeking to entrench themselves and frustrate the will of the stockholders by, among other things, creating obstacles to providing Quality Systems stockholders with the choice and opportunity to vote for Dr. Hussein’s nominees.

Ahmed Hussein also announced today that, in connection with his intended solicitation of proxies to be used at the 2008 annual meeting of stockholders, he has retained the law firm of Blank Rome LLP as his legal advisor and The Altman Group, Inc. as his proxy solicitor.

Nominees Fully Committed to Driving Stockholder Value and Improving Corporate Governance

Dr. Hussein has assembled the following slate of highly qualified and experienced nominees who, if elected, will provide Quality Systems with the strong leadership and strategic direction necessary to drive and enhance stockholder value and improve corporate governance. They are fully committed to serving in the best interests of all stockholders. The nominees beneficially own, in the aggregate, 4,654,100 shares of Quality Systems' common stock, representing approximately 17% of the issued and outstanding shares, based upon the amount of shares reported to be issued and outstanding in Quality Systems' Annual Report on Form 10-K for its fiscal year ended March 31, 2008.

None of the Nominees, nor any of their respective immediate family members, were, within the last three years, a partner or employee of Grant Thornton LLP who personally worked on the Company's or any of its subsidiaries' audits during that time.

None of the Nominees, nor any of their respective immediate family members, is currently a partner in, or a controlling stockholder or an executive officer of, a company to which the Company has made, or from which the Company received, payments for property or services in the current or any of the past three fiscal years that, in any single fiscal year, exceeded the greater of 5% of the recipient's consolidated gross revenues for that year or \$200,000, subject to the exceptions set forth in Nasdaq Marketplace Rule 4200(a)(15).

Based on the definition of independent director set forth in the Company's corporate governance principles that are incorporated into and made a part of the Bylaws, the Stockholder has no knowledge of any facts that would prevent the QSI Board from determining that each of the Nominees is independent.

Ownership of Common Stock of the Company

Exhibit B hereto sets forth for the Stockholder (i) the number of shares of the Company's securities held of record as of the date hereof, (ii) the number of shares of the Company's securities beneficially owned as of the date hereof and the nature of such beneficial ownership and (iii) the name and address of the beneficial and record holders of the Company securities as described in clauses (i) and (ii) of this paragraph. Share ownership is provided in this notice as of the date hereof. Except as otherwise noted, the name and address of each record holder is current and matches the name and address on the Company's stock ledger.

The Stockholder used his own assets to purchase the shares of the Company securities owned by him. Such shares were originally purchased through and held in brokerage custodian accounts which, from time to time in the ordinary course, may utilize margin borrowing in connection with purchasing, borrowing or holding securities, and such shares may thereby have been, or in the future may become, subject to the terms and conditions of such margin debt and term, together with all other securities held therein. As of the date hereof, no part of the purchase price or market value of any of the shares of the Company's securities held by the Stockholder are represented by funds borrowed or otherwise obtained for the purpose of acquiring of holding such shares.

Except for shares of QSI Common Stock owned by the Stockholder as set forth on Exhibit B, 26,500 shares of QSI Common Stock underlying options held by Ibrahim Fawzy, and 2,500 shares of QSI Common Stock underlying options held by Edwin Hoffman, none of the Nominees or any of their respective associates own beneficially, directly or indirectly, or of record but not beneficially, any securities of the Company. The Nominees do not beneficially own, directly or indirectly, any securities of any parent or subsidiary of the Company.

Transactions in the Company's Securities

None of the Nominees, including the Stockholder, has purchased or sold any securities of the Company within the last two years.

Information Regarding the Proxy Solicitation

The Stockholder intends that he and/or one or more of the Nominees will deliver a proxy statement and form of proxy to a sufficient number of holders of the Company's voting shares to elect the Nominees and approve the Proposals. Additionally, the Stockholder intends to appear in person or by proxy at the Stockholder Meeting to nominate the Nominees and make the Proposals.

Proxies may be solicited by mail, facsimile, advertisement, telephone, the Internet, telegraph and personal solicitation, and any other means permitted by applicable law. No additional compensation will be paid to the Nominees for the solicitation of proxies. Banks, brokerage houses and other custodians, nominees and fiduciaries will be requested to forward the solicitation materials to their customers for whom they hold shares of record, and they will be reimbursed by the Stockholder for their reasonable out-of-pocket expenses.

Other than the Stockholder, none of the Nominees have individually retained any person to provide proxy solicitation or advisory services in connection with the solicitation. The Stockholder has retained The Altman Group, Inc. (the "TAG") to provide him with proxy solicitation and advisory services in connection with the solicitation. It is anticipated that TAG will employ approximately twenty-five (25) persons to solicit Quality Systems stockholders for the Annual Meeting. The Stockholder has agreed to pay to TAG a fee not expected to exceed \$22,500 and to reimburse TAG for its reasonable out-of-pocket expenses. The Stockholder has also agreed to indemnify and hold TAG and all its employees harmless against certain liabilities and expenses, including certain liabilities arising under the federal securities laws, incurred as a result of providing solicitation and advisory services in connection with the Stockholder's proxy solicitation.

The entire expense of preparing, assembling, printing and mailing the proxy statement and related materials and the cost of soliciting proxies will be borne by the Stockholder. In the event that the Nominees are elected to the Board at the Stockholder Meeting and/or the Proposals are approved by the requisite vote of the Company's stockholders, the Stockholder intends to seek reimbursement of such expenses from the Company and does not intend to submit such reimbursement to a vote of stockholders.

Election of Cumulative Voting

This Notice shall also constitute notice under Article II, Section 7, of the Bylaws and pursuant to Section 708 of the General Corporation Law of the State of California, that the Stockholder intends to cumulate votes at the Stockholder Meeting.

General

Under the applicable regulations of the Commission, each of the Stockholder and the Nominees will be deemed to be a "participant" in the Stockholder's solicitation of proxies in support of the Nominees at the Stockholder Meeting. As of the date hereof, to the knowledge of the Stockholder and based on the Company's filings with the Commission, the full Board consists of nine (9) directors, and the Stockholder is

assuming that all nine (9) directorships will be open for election at the Stockholder Meeting. The Stockholder reserves the right to nominate additional and/or substitute nominees if the Company has increased or increases the number of directors to be elected at the Stockholder Meeting, if the composition of the Board changes prior to the Stockholder Meeting, or if the Company makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any of the Nominees. Shares of QSI Common Stock represented by proxies given to the Stockholder will be voted for any such additional and/or substitute nominees. Additionally, if any Nominee (or additional and/or substitute nominee) is unable or unwilling to stand for election for any reason at the Stockholder Meeting, including due to death or disability, the Stockholder reserves the right to nominate a substitute nominee in the place of such Nominee (or additional and/or substitute nominee). The Stockholder's reservation of the foregoing rights, and any of the foregoing actions that may be taken by the Stockholder, are and shall be without prejudice to the issue of whether any such action by the Company was valid under the circumstances and will not limit the Stockholder's or any other person's rights to challenge such actions.

The Company is cautioned not to take any action that would adversely impact the Stockholder's ability to effectuate the change in the composition of the Board of Directors of the Company as indicated in this notice or the right of the Company's stockholders to support the Stockholder's nominations or the Proposals.

The Stockholder, in furnishing this notice or any additional information, does not concede the validity or enforceability of any of the provisions of the Bylaws or any other matter, including any provisions in the Bylaws that purport to impose advance notice requirements or otherwise limit the right of any stockholder to present business for consideration at any meeting of the stockholders, and expressly reserves the right to challenge the validity, application and interpretation of any such provisions or any other matter.

If this Notice shall be deemed for any reason by a court of competent jurisdiction to be ineffective with respect to the nomination of any of the Nominees at the Annual Meeting, or if any individual Nominee shall be unable to serve for any reason, then in addition to any other rights or remedies the Stockholder may have, this Notice shall continue to be effective with respect to the remaining Nominee(s) and as to any replacement Nominee(s) selected by the Stockholder.

As you are aware, the Stockholder is providing this notice in advance of the Company's deadline for submission of stockholder proposals and nominations and the Stockholder believes he has fully satisfied all purported requirements for the content of this notice as set forth in applicable provisions of the Bylaws. Any claim that this notice is in any way defective or deficient, and all further correspondence on this matter,

**PROPOSALS INTENDED TO BE MADE BY AHMED HUSSEIN
AT THE 2008 ANNUAL MEETING OF STOCKHOLDERS,
OR OTHER MEETING OF STOCKHOLDERS HELD IN LIEU THEREOF,
OF QUALITY SYSTEMS, INC. (THE "COMPANY")
(IN ADDITION TO THE NOMINATION OF SIX (6) NOMINEES FOR
ELECTION TO THE BOARD OF DIRECTORS OF THE COMPANY)**

Proposal 1: To amend the Amended and Restated Bylaws of the Company to conform the definition of independent director contained therein to the definition of independent outside director advocated by RiskMetrics ISS Governance Services ("ISS").

RESOLVED, that the Corporate Governance Provisions that form a part of the Bylaws be, and hereby are, amended, to provide that an independent director means that the director has no material connection to the Company other than a board seat. For purposes of this definition, "material" is defined as a standard of relationship (financial, personal or otherwise) that a reasonable person might conclude could potentially influence one's objectivity in the boardroom in a manner that would have a meaningful impact on an individual's ability to satisfy requisite fiduciary standards on behalf of stockholders. For the avoidance of the doubt, the following persons shall not be considered independent:

- a. Former CEO of the Company (including any former CEO of the Company prior to the Company's initial public offering (IPO));
- b. Former CEO of an acquired company within the past five years;
- c. Former interim CEO if the service was longer than 18 months. If the service was between twelve and eighteen months an assessment of the interim CEO's employment agreement will be made;
- d. Former executive of the Company, an affiliate or an acquired firm within the past five years;
- e. Executive of a former parent or predecessor firm at the time the Company was sold or split off from the parent/predecessor within the past five years;
- f. Executive, former executive, general or limited partner of a joint venture or partnership with the Company;
- g. Relative of a current Section 16 officer of the Company or its affiliates;
- h. Relative of a current employee of the Company or its affiliates where additional factors raise concern (which may include, but are not limited to, the following: a director related to numerous employees; the company or its affiliates employ relatives of numerous board members; or a non-Section 16 officer in a key strategic role);
- i. Relative of former Section 16 officer, of the Company or its affiliate within the last five years;
- j. Currently provides (or a relative provides) professional services to the Company, to an affiliate of the Company or an individual officer of the Company or one of its affiliates in excess of \$10,000 per year;

-
- k. Employed by (or a relative is employed by) a significant customer or supplier of the Company if the Company makes or receives annual payments exceeding the greater of \$200,000 or 5 percent of the recipient's gross revenues. (The recipient is the party receiving the financial proceeds from the transaction);
 - l. Has (or a relative has) any transactional relationship with the Company or its affiliates (excluding investments in the Company through a private placement) if the Company makes or receives annual payments exceeding the greater of \$200,000 or 5 percent of the recipient's gross revenues. (The recipient is the party receiving the financial proceeds from the transaction);
 - m. Any material financial tie or other related party transactional relationship to the Company;
 - n. Party to a voting agreement to vote in line with management on proposals being brought to stockholder vote;
 - o. Has (or a relative has) an interlocking relationship as defined by the SEC involving members of the board of directors or its Compensation Committee;
 - p. Founder of the Company but not currently an employee; and
 - q. Is (or a relative is) a trustee, director or employee of a charitable or non-profit organization that receives grants or endowments from the Company or its affiliates.

For purposes of the foregoing definition of "independent director" relatives include spouses, parents, children, step-parents, step-children, siblings, in-laws, and any person (other than a tenant or employee) sharing the household of any director, nominee for director, executive officer, or significant stockholder of the Company.

Reason for the Proposal: The primary purpose of the Board of Directors is to protect stockholders' interests by providing independent oversight of management and the CEO. The Board of Directors also gives strategic direction and guidance to the Company. We believe that the Board of Directors will likely accomplish both roles more effectively by enhancing the independence of the Board of Directors. A more independent Board of Directors will enhance investor confidence in the Company and strengthen the integrity of the Board of Directors. Accordingly, we are seeking stockholder approval to amend the Corporate Governance Provisions that form a part of the Bylaws to replace the definition of independent director with the definition of independent outside director advocated by ISS.

Proposal 2: Repeal of any and all amendments to the Company's Amended and Restated Bylaws (whether effected by supplement to, deletion from or revision of the Bylaws) that are adopted by the Company's Board of Directors since June 2, 2008.

RESOLVED, that any and all amendments to the Company's Amended and Restated Bylaws (whether effected by supplement to, deletion from or revision of the Bylaws) effected since June 2, 2008 (the last date of reported changes) and before the effectiveness of the foregoing Proposals and the seating of the Nominees on the Board, other than those provisions which were duly adopted by the stockholders of the Company and those provisions which under the laws of the State of California cannot be repealed by the stockholders of the Company, be, and hereby are, repealed; and further

RESOLVED, that, without the affirmative vote of the holders of a majority of the stock of the Company having voting power, the Company's Board of Directors may not thereafter amend any section of the Bylaws affected by such repeal or adopt any new Bylaw provision in a manner which serves to reinstate any repealed provision or adopt any provision having a similar effect as the repealed provision.

Reason for the Proposal: This Proposal is designed to prevent the current directors of the Company from taking actions to amend the Bylaws to attempt to nullify or delay the actions taken by the stockholders under these Proposals.

In addition, and including the Record Shares and options to purchase 46,500 shares of QSI Common Stock, the Stockholder is the beneficial owner of 4,654,100 shares of QSI Common Stock (collectively, the "Shares"). In addition, the Stockholder is the beneficial holder of approximately 16.9% of the issued and outstanding shares of the QSI Common Stock (based on the 27,454,221 shares of QSI Common Stock reported to be outstanding as of June 1, 2008 in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2008 and, assuming for such purposes, that the 46,500 shares that are subject to options are deemed to issued and outstanding for purposes of computing the percentage of

Re: Stockholder List Use Request Pursuant to Rule 14a-7 under the
Securities Exchange Act of 1934, as amended (the "Exchange Act")

Ladies and Gentlemen:

The undersigned stockholder, Ahmed Hussein (the "Stockholder"), with a business address of c/o National Investment Co., 630 Fifth Avenue, Suite 2258, New York, NY 10111-0100, is the beneficial owner of 4,654,100 shares (the "Shares") of the Common Stock, par value \$0.01 per share (the "Common Stock"), of Quality Systems, Inc., a California corporation ("QSI" or the "Company"). The Stockholder intends to conduct a solicitation of proxies (the "Proxy Solicitation") from the Company's stockholders for use at the 2008 Annual Meeting of Stockholders of the Company and at any adjournments, postponements and continuations thereof or at any other meeting of stockholders held in lieu thereof (the "Annual Meeting").

Pursuant to Rule 14a-7 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Stockholder hereby requests that the Company provide to it the Company's stockholder list and security position listings for the purpose of disseminating solicitation materials to the holders of the Common Stock. Unless specifically indicated otherwise, all references to "Rule" in this letter shall refer to the applicable "rule" promulgated under the Exchange Act.

For purposes of communicating the Company's election under Rule 14a-7(b)(2) to comply with either paragraph (a)(2)(i) or paragraph (a)(2)(ii) of Rule 14a-7, please contact Keith E. Gottfried of Blank Rome LLP, by hand delivery or mail at Watergate 600 New Hampshire Avenue, Washington, D.C. 20037, by electronic mail to Gottfried@Blankrome.com, by telephone at (202) 772-5887, or by facsimile at (202) 572-1434. In addition, if the Company believes that this request is incomplete or otherwise deficient in any respect, please contact such counsel immediately so that the Stockholder may promptly address any alleged deficiencies.

The Company is required by Rule 14a-7(a)(1) to deliver to the Stockholder within five (5) business days after receipt of this letter the following information:

1. Notification of the Company's election under Rule 14a-7(b)(2) as to whether the Company has elected to mail the solicitation materials or furnish the Stockholder with a stockholder list;
2. A statement of the approximate number of record holders and beneficial holders of the Common Stock, separated by type of holder; and
3. The estimated cost of mailing a proxy statement, form of proxy or other communication to such holders, including to the extent known or reasonably available, the estimated costs of any bank, broker and similar person through whom the registrant has solicited or intends to solicit beneficial owners in connection with the 2008 Annual Meeting.

If the Company elects to mail the solicitation materials pursuant to Rule 14a-7 (a)(2)(i), the Company is required to, among other things, send copies of any proxy statement, form of proxy, or other soliciting material, including a Notice of Internet Availability of Proxy Materials (as described in Rule 14a-16), furnished by the Stockholder to the record holders of the Common Stock, including banks, brokers, and similar entities. A sufficient number of copies must be sent to banks, brokers and similar entities for distribution to all beneficial owners of the Common Stock. The Company shall send the aforementioned solicitation materials with reasonable promptness after the Stockholder's tender of such materials to be sent, envelopes or other containers therefor, postage or payment for postage and other reasonable expenses of effecting such distribution.

If the Company elects to provide the Stockholder with a stockholder list pursuant to Rule 14a-7 (a)(2)(ii), the Company is required to deliver the following information to the Stockholder no later than five (5) business days after receipt of this letter:

1. A reasonably current list of the names, addresses and security positions of the record holders of the Common Stock, including banks, brokers and similar entities;
2. The most recent list of names, addresses and security positions of beneficial owners as specified in Rule 14a-13(b), in the possession, or which subsequently comes into the possession, of the Company;

3. The names of stockholders at a shared address that have consented to delivery of a single copy of proxy materials to a shared address, if the Company has received written or implied consent in accordance with Rule 14a-3(e)(1); and

4. If the Company has relied on Rule 14a-16, the names of the stockholders who have requested paper copies of the proxy materials for all meetings and the names of stockholders who, as of the date that the Company receives the request, have requested paper copies of the proxy materials only for the meeting to which the solicitation relates.

This information should be in the format normally used by the Company for providing such information to its proxy solicitor, accompanied by a printout of the information and any instructions as are necessary to make use of such information. The Company shall furnish the Stockholder with updated record holder information on a daily basis or, if not available on a daily basis, at the shortest reasonable intervals; provided, however, the Company need not provide beneficial or record holder information more current than the record date for the Annual Meeting.

Pursuant to Rule 14a-7(c)(1), enclosed please find (a) a copy of Amendment No. 9 to the beneficial ownership report on Schedule 13D filed by the Stockholder with the Securities and Exchange Commission on May 28, 2008, and (b) an affidavit of ownership executed by a representative of Bear, Stearns & Co. Inc., the Stockholder's brokerage firm, confirming the Stockholder's beneficial ownership of the Shares as of June 27, 2008. The Stockholder is aware of and will comply with his obligations under Rules 14a-7(d) and 14a-7(e).

OR OTHER MEETING OF STOCKHOLDERS HELD IN LIEU THEREOF,
OF QUALITY SYSTEMS, INC. (THE "COMPANY")
(IN ADDITION TO THE NOMINATION OF SIX (6) NOMINEES FOR
ELECTION TO THE BOARD OF DIRECTORS OF THE COMPANY)**

Proposal 1: To amend the Amended and Restated Bylaws of the Company to conform the definition of independent director contained therein to the definition of independent outside director advocated by RiskMetrics ISS Governance Services ("ISS").

RESOLVED, that the Corporate Governance Provisions that form a part of the Bylaws be, and hereby are, amended, to provide that an independent director means that the director has no material connection to the Company other than a board seat. For purposes of this definition, "material" is defined as a standard of relationship (financial, personal or otherwise) that a reasonable person might conclude could potentially influence one's objectivity in the boardroom in a manner that would have a meaningful impact on an individual's ability to satisfy requisite fiduciary standards on behalf of stockholders. For the avoidance of the doubt, the following persons shall not be considered independent:

- a. Former CEO of the Company (including any former CEO of the Company prior to the Company's initial public offering (IPO));
- b. Former CEO of an acquired company within the past five years;
- c. Former interim CEO if the service was longer than 18 months. If the service was between twelve and eighteen months an assessment of the interim CEO's employment agreement will be made;
- d. Former executive of the Company, an affiliate or an acquired firm within the past five years;
- e. Executive of a former parent or predecessor firm at the time the Company was sold or split off from the parent/predecessor within the past five years;
- f. Executive, former executive, general or limited partner of a joint venture or partnership with the Company;
- g. Relative of a current Section 16 officer of the Company or its affiliates;
- h. Relative of a current employee of the Company or its affiliates where additional factors raise concern (which may include, but are not limited to, the following: a director related to numerous employees; the company or its affiliates employ relatives of numerous board members; or a non-Section 16 officer in a key strategic role);
- i. Relative of former Section 16 officer, of the Company or its affiliate within the last five years;
- j. Currently provides (or a relative provides) professional services to the Company, to an affiliate of the Company or an individual officer of the Company or one of its affiliates in excess of \$10,000 per year;
- k. Employed by (or a relative is employed by) a significant customer or supplier of the Company if the Company makes or receives annual payments exceeding the greater of \$200,000 or 5 percent of the recipient's gross revenues. (The recipient is the party receiving the financial proceeds from the transaction);

-
- l. Has (or a relative has) any transactional relationship with the Company or its affiliates (excluding investments in the Company through a private placement) if the Company makes or receives annual payments exceeding the greater of \$200,000 or 5 percent of the recipient's gross revenues. (The recipient is the party receiving the financial proceeds from the transaction);
 - m. Any material financial tie or other related party transactional relationship to the Company;
 - n. Party to a voting agreement to vote in line with management on proposals being brought to stockholder vote;
 - o. Has (or a relative has) an interlocking relationship as defined by the SEC involving members of the board of directors or its Compensation Committee;
 - p. Founder of the Company but not currently an employee; and
 - q. Is (or a relative is) a trustee, director or employee of a charitable or non-profit organization that receives grants or endowments from the Company or its affiliates.

For purposes of the foregoing definition of "independent director" relatives include spouses, parents, children, step-parents, step-children, siblings, in-laws, and any person (other than a tenant or employee) sharing the household of any director, nominee for director, executive officer, or significant stockholder of the Company.

Proposal 2: Repeal of any and all amendments to the Company's Amended and Restated Bylaws (whether effected by supplement to, deletion from or revision of the Bylaws) that are adopted by the Company's Board of Directors since June 2, 2008.

RESOLVED, that any and all amendments to the Company's Amended and Restated Bylaws (whether effected by supplement to, deletion from or revision of the Bylaws) since June 2, 2008 (the last date of reported changes) and before the effectiveness of the foregoing Proposals and the seating of the Nominees on the Board, other than those provisions which were duly adopted by the stockholders of the Company and those provisions which under the laws of the State of California cannot be repealed by the stockholders of the Company, be, and hereby are, repealed; and further

RESOLVED, that, without the affirmative vote of the holders of a majority of the stock of the Company having voting power, the Company's Board of Directors may not thereafter amend any section of the Bylaws affected by such repeal or adopt any new Bylaw provision in a manner which serves to reinstate any repealed provision or adopt any provision having a similar effect as the repealed provision.
