**Software License Agreement**

As with all QSI software, the services and software included in this purchase order are licensed for operation on a specific QSI turnkey system or IBM compatible PC. The buyer agrees by signing this purchase order that The QUIC Network services and software purchased with this purchase order are covered by the terms and conditions specified in the Program License Agreement and executed as a part of the purchase of the aforementioned QSI turnkey system.

**Notes:**

1. Payment terms - due monthly upon receipt of invoice. Delinquent accounts may result in termination of QSI's and ViaTrack's responsibility for processing of claims.
2. QSI and ViaTrack assume no liability for claims that may be rejected or found to be incomplete by any insurance carrier.
3. Interest will be charged on late payments at the rate of 1.5% per month on all overdue amounts.
4. QSI agrees to pay all local, state or excise tax, as required by law.
5. Seller will provide Buyer with a monthly license to use QSI's ECS and ERA package (including M.1X22 and M.1X32) provided Buyer continues to use Via Track Health services and Via Track Systems maintains its partnership with QSI as a preferred clearing house.
6. Pricing for paper claims will be adjusted to include any applicable changes in postal rates.
7. Cancellation of ViaTrack Claims Service or deletion of providers must be received in writing prior to billing period for charges not to be incurred (billing periods begin on 1<sup>st</sup> of month and end on last day of the month). Note: Each provider enrolled to send ViaTrack Claims will be automatically billed regardless of claim submission. If a provider is no longer submitting claims, Buyer must cancel the provider to avoid charges.
8. Fees: Some intermediaries charge additional fees that are reflected on the provider monthly billing statement. These fees reflect charges billed for services provided by the intermediaries that are not part of the services provided by ViaTrack Systems. All intermediary fees are billed to the Buyer. Whenever possible, ViaTrack Systems shall notify the buyer of any additional fee prior to services rendered. ViaTrack reserves the right to pass through to the buyer any newly assessed or increased fees or charges at any time.
9. Buyer Edits and Validation: ViaTrack Systems offers unique services that allow the buyer to indicate specific edit and validation routines that enhance the buyer's ability to determine errors and minimize rejected claims. These services are billed on an hourly rate of \$150 per hour.
10. This QSI Purchase Order is valid for 30 days from provision to buyer.
