Dear ANTHONY ,

This is the time of year when it is important for you to review your dental benefits. You may have unused dental benefits for the remainder of the year that will be lost forever come the New Year. This is just how many insurance plans work.

In addition, you may have incomplete dental treatment. As we are coming close to the end of the year, schedules fill quickly, so we urge you to get your appointment scheduled early to meet your timeframe. We are also offering a for onlyteeth-whitening special $129 through December 23, 2004.

Gift Certificates make a great holiday gift and are available for any dental services we provide. You also may want to consider purchasing a year's enrollment in the Perfect Teeth dental plan as a gift for someone without coverage.

Thank you for choosing our office, and we look forward to helping you complete your current and future dental health needs.

Sincerely,

Your Dental Team
