Notes:

1. Payment terms - due monthly upon receipt of invoice. Delinquent accounts may result in termination of QSI and ProxyMed's responsibility for processing of claims.
2. QSI and ProxyMed assume no liability for claims that may be rejected or found to be incomplete by any insurance carrier.
3. Interest will be charged on late payments at the rate of **1.5%** per month on all overdue amounts.
4. Buyer agrees to pay all local, state or excise tax, as required by law.
5. Above pricing reflects pricing as of June 31st, 2002 and will be adjusted to reflect any changes in postal rates thereafter.
6. This contract requires purchase of QSI's ProxyMed/ECS Package, which includes port, modem and implementation and applies only to claims submitted via a direct connection with ProxyMed.

Software License Agreement

As with all QSI software, the services and software included in this purchase order are licensed for operation on a specific QSI turnkey system or IBM compatible PC. The buyer agrees by signing this purchase order that The QUIC Network services and software purchased with this purchase order are covered by the terms and conditions specified in the Program License Agreement and executed as a part of the purchase of the aforementioned QSI turnkey system.
